Boom	two- piece																																	
Stick length (mm)	1																																	
Track width (mm)	1																																	
Quick coupler	NTP10 hydraulinen + EC219 pihdeillä DC2 + EPS																																	
Bucket 1(width) (mm)	Luiskakauha																																	
Bucket dimensions, volume, other tools	Kamerat ym. kaikki tarvittava, valmis työmaalle																																	
Bucket	Blade																																	
Air-conditioning system	Yes																																	
Particle filter	None																																	
Heating	Yes																																	
Lighting	Yes																																	
Hammer hydraulics	Yes																																	
Tilt bucket hydraulic	Yes																																	
Central lubrication	Yes																																	
Outrigger	Back																																	
Blade	Front
